

February 6, 2011

On behalf of the 500 children from Brock and surrounding area that play organized soccer with our club, I am writing to you in hopes that you would be willing to be a team sponsor. Our team sponsorship rate remains at \$350.00, as it was in 2010. Having team sponsors is important to us as it aids in making an organized sport accessible to as many children of our community as possible. I know from speaking with our youth members that they understand the commitment that's being made to them by our community when every team in our club has a sponsor.

Brock Soccer is comprised of 38 teams ranging in age from 3 yrs to our community's young adults at age 18. Our club is run entirely through the efforts of our many volunteers. Established in 1978, Brock Soccer has grown to the point where we now provide our members an indoor soccer skill development program throughout the fall/winter/spring. We also recently became a "feeder" club to the new North Durham United FC, whereby BSC players who have the skill and desire to play a more competitive style, now have the opportunity to do so.

Of course, none of this is possible without the tremendous support we have received, and frankly, hope to continue to receive.

We must soon place our order for team uniforms so that we can get them in time to begin the season. If you are able to be a sponsor this year, please complete the attached form and return it, with a cheque, before Feb 18, 2011. This will allow us the time required to get your logo/name printed on the uniforms.

Our new website is running (www.brocksoccer.on.ca) and we would be happy to add your firm to our links page and our sponsor page.

Regards,

Bryan Shipp
President
Brock Soccer Club
