- 1) Picture Day is June 3, 2017, (rain date is June 4, 2017)
- 2) The field layout will be posted at the clubhouse. All games will be played on the regular fields for each age group.
- 3) It is important that everyone is on time for their pictures.
- 4) Only players & coaches will be allowed in the photo area. Parents need to respect that the photographers are working with a tight schedule and need to get each picture taken as quickly as possible. Everyone will be given an individual & team photo at the end of the season. If parents would like to take their own pictures, they can do so when the photographer is done, outside of the picture taking area.
- 5) The clubhouse will be open with burgers, hotdogs, snacks & drinks for sale.
- 6) Please use the garbage & recycling containers on site.
- 7) Do NOT bring your dogs. We do not have control over what happens at this field while we are not here, but during soccer events we appreciate those who respect our desire to keep the fields as clean & safe as possible.
